### FACILITIES & TRAINING OPPORTUNITIES

The varsity golf teams at Tallulah Falls School play their home matches nearby campus at The Orchard in Clarkesville. Meanwhile, the middle school teams play nearby at Apple Mountain Golf & Country Club, also in Clarkesville. The season runs from February to May. Golfers have access year-around to the TFS Golf Performance Lab located on campus, which includes a video analysis system, golf simulator, launch monitor, and indoor putting green. This gives TFS golfers ample opportunities to work on their game to prepare for any course they play on. Golfers have access in the off-season to the Lab and both fitness centers/weight rooms at TFS.
