ACCOMPLISHMENTS

The swim program at Tallulah Falls School consists of a varsity and middle school team. The program has had great success in the 2010s, including seeing many individuals compete for a state championship in GHSA. In 2021-22, the girls finished 8th at state and the boys 15th behind several swimmers who broke school records and placed in the top-5. One swimmer, Madison Dampier ('25) won a state championship in the 100 Fly in 2022-23.

COLLEGE-BOUND SWIMMERS

The swim program prepares athletes to be able to compete at the next level, as 6 swimmers have earned the opportunity to do so after leaving TFS, including a DI swimmer in Montgomery Dampier ('22 – Georgia Southern)

FACILITIES & TRAINING OPPORTUNITIES

The swim program, starting in 2020-21, will open a brand new, state-of-the-art natatorium facility, which consists of a 10-lane championship pool, and seats up to 240 spectators. The natatorium is also used for PE classes, courses for scuba, boating, and water safety, and for recreational use for all TFS community members. The season runs from November through January, and all athletes have access to TFS weight rooms/fitness centers and the natatorium during the season and off-season.
