//

HEAD COACH

Casey Barron: He launched the program in 2019, and has led a team to the Final 4, 4 to the Elite 8, and another to the Sweet 16. He coaches teams in Rocket League, League of Legends, Madden, Smash Brothers, and FIFA.

PROGRAM HIGHLIGHTS

The Esports program has been consistent since launching in 2019. Several gamers have participated in Rocket League, League of Legends, Madden, Smash Brothers, and FIFA. The 2021 League of Legends team made the Final 4, and had an Elite 8 finish as well. In total, the program has a Final 4, 4 Elite 8s, and a Sweet 16.

The Esports program has been state-ranked nearly every season since its inception, and has its own game lab for official meets.
