

TFS GIRLS SOCCER

QUICK FACTS

ACCOMPLISHMENTS

Since 2021 (4 seasons), the Lady Indians have over 40 wins, a Region Championship, 4 state playoff runs, and were ranked as high as #5 in the state. They made the Sweet 16 2 years in a row (2023-24).

//

NEXT-LEVEL PLAYERS

2 players have played at the college level.

//

FACILITIES

The Lady Indians play on natural grass on Amick Field, located on the Upper School side of campus.

//

HEAD COACH

Erin Jimenez: Her first season featured 11 wins, the first-ever region title, and a Sweet 16 appearance. She sent one of her players on to the college ranks.

PROGRAM HIGHLIGHTS

The girls soccer program is still relatively young, but successful.

Since the 2021 season, the program has pieced together more than 40 wins, won their first-ever region title, and qualified for the state tournament 4 years in a row. That includes making back-to-back Sweet 16 runs, and having 2 straight seasons with a state ranking. The program has had a couple go on to play college ball.

In recent years, several offensive and goalkeeping records have been broken. Coach Erin Jimenez has a solid background as a player and had unbelievable success in her first season as head coach. The Lady Indians' program also features a middle school team.
