PROGRAM HIGHLIGHTS

The golf teams have been very successful since 2014, especially the girls. The Lady Indians have 5 Area Championships, including in 2024. The 2021 girls were State Runner-Up, and finished 4th in 2024. Overall, they have 7 top-10 state finishes and 4 individuals to win the Area Championship. There have been 4 different girls earn All-State status, each twice.

The boys have made state in back-to-back years as a team for the first time, and came in 8th in 2024 after coming in 11th in 2023. They've had one individual Area Champion, and both next-level golfers were girls – both going to play at the D-I level. The program has a stellar golf simulation lab and indoor putting green for the varsity and middle
