//

### HEAD COACH

**Tim Stamey: Started the program at TFS and is a USA Shooting Level 3 Advanced Rifle Coach and Certified Range/Match Official. He has coached several Jr Olympic qualifiers.**

## PROGRAM HIGHLIGHTS

The TFS rifle team won the 2024 National Championship while shattering school records. That was months after being the State Runner-Up. The 2023-24 season included going undefeated in the regular season and winning an area title as well. The past several years has seen Tallulah Falls rise to being one of the top programs in Georgia, and has long been spotlighted at the national stage.

Several precision rifle athletes have become National Junior Olympic Qualifiers, both individually and as a team. One rifle athlete has gone on to compete at the collegiate level. The program has a robust indoor shooting range (8 lanes) with high-end technology (targets, scoring monitors, etc).
